### SOPHOMORE SHOWCASE STUDENT INTEREST SURVEY

You will visit two (2) career-technical programs at the Warren County Career Center for career exploration. Select the programs to visit that best fit your interests. You will be assigned, in no particular order, to the programs you choose. You may also attend a Mystery Tour session and a College and Career Planning session during your visit. This survey is for scheduling a visit only and does not commit you to attend the Warren County Career Center. **~If you select any of the off-site programs, you will be transported via bus. ~**
