## MAP Testing (Measures of Academic Progress)

All 9<sup>th</sup>-12<sup>th</sup> grade GOVS students are required to take the MAP tests in reading and math (back-to-back) on **TWO DIFFERENT** occasions during the school year. These computer-based assessments measure student growth in a subject area over time. The first administration will be given on the student's first day of school with GOVS and the second administration will take place approximately after 13 weeks of school time has passed since completing the first set of MAP tests.

**Location:** Taken remotely (typically, in the student's home)

## ACT EXAM

The ACT college entrance exam is administered free-of-charge at the district level. All 11<sup>th</sup>-grade students are required to take this test. Results may be used in the college application process and/or as a pathway to graduation if a "remediation-free" score is earned.

**Location:** GOVS Conference Center (1879 Deerfield Rd., Lebanon, OH 45036)

## OHIO STATE TESTS

Ohio State Tests, also known as EOCs or AIR Tests, will be administered on two occasions during the school year and once over the summer. They are aligned to Ohio's academic content standards (adopted by the State Board of Education) in Language Arts, Mathematics, Science and Social Studies. 7<sup>th</sup>-grade students only test in English and Math. 8<sup>th</sup>-grade students only test in English, Math, and Science. The material tested in high school depends on the classes in which a student is enrolled at the time, but a total of seven end-of-course exams must be completed by graduation. Students will attempt to earn 18 total points on these exams in order to graduate, with each test being scored on a scale of 1 to 5. The summer and fall testing windows are only for 11<sup>th</sup>/12<sup>th</sup> graders to retake exams from prior school years. The spring window is for ALL students to take exams whether as a retake or for their first time.
