

Sommer Bradds GOVS Resource Coordinator

Medical Resources
Pregnancy/Parenthood
Family Support
Clothing/Shoes
Kinship Support
Hygiene Supplies
School Supplies
Food
Housing Support

How can a Resource Coordinator help you?
One-time or ongoing support, let's work together to keep our students' minds on their school work and not on their needs. Students' personal and family difficulties affect how they do socially, emotionally, and academically. To help in difficult times, Mrs. Bradds can assist students in being their most successful self in school! There are many resources out there for students and families in Ohio... let's find them together.
